

Clarks Run Environmental and Education Corporation

Dedicated to protecting and enhancing Clark's Run as a community resource for Boyle County.

Organized informally in 1996 and subsequently incorporated as a non-profit 501(c)3 in 2005 to improve the Clark's Run watershed by enhancing water quality and educating the public.

Kentucky River Authority 2020-2022 Watershed Grant

- Clarks Run Watershed Based BMP Feasibility Study, Danville, Boyle County, KY
- Approved and funded, Nov 2020, completion June 2022
- A feasibility Study to identify, evaluate, and select BMPs capable of reducing the impact of urban development in the Clarks Run watershed.
 - ✓ evaluate impact of removal of two low-head dams
 - ✓ address public safety concerns due to bank instability and nearby local public park
 - ✓ address aquatic habitat impacts.
- Collaboration with: EcoGro, Stantec, Ridgewater

Ongoing Activities

- Service projects with a variety of local groups
- Passive educational signage along Michael Smith Park, a continuation of work stimulated by KY DOW Minigrant, FY 17/18
- Live data stream from water quality sonde on Clarks Run at Goggin Lane bridge → data available in near real time via <http://www.clarksrn.info>
- <https://v2.wqdataalive.com/public/1083>
