Program Service	74.7 %
Management/General	21 %
Fundraising	4.3 %

“ The activity helped them to think about some of the real life issues surrounding water use. They really enjoyed it – “the activity was fun” – high praise from a middle school student. ”  
-8th Grade Teacher

## MAIN STREET CLEAN SWEEP

On Earth Day 2014, 413 volunteers (including 210 kids) in 8 communities picked up a total of 286 bags of litter.

## GREEN JOBS

1,220 students across 3 career fairs met with 32 businesses, educational programs, and volunteer opportunities to learn about green jobs.

## LFUCG GREEN PARTNERS

Bluegrass GreenSource assisted Ashland Oil in celebrating their Energy Star certification with the Secretary of the Energy and Environment Cabinet, Dr. Leonard Peters.

## SCIENCE FAIR

800 participants at the KAW 16th District Science Fair visited 32 community exhibitors and vendor booths in the Science Sensation portion organized by Bluegrass GreenSource.
